Investment details

<p>Description of the planned investment NB. The support can't be granted for investments made to meet the requirements of safety regulations, building control or any other authority.</p>	
<p>What kind of dangerous situations and accidents have occurred at the site? How many or how often?</p>	
<p>How does the investment improve security?</p>	
<p>Estimate of the size of the investment, VAT 0%</p>	
<p>Application date</p>	

An application for investment support can be processed without purchase receipts. However, the support cannot be reimbursed for the insurance premium until the receipts have been received, so please send the receipts to If as an attachment to your application as soon as they are available.

Please contact your contact person at If.
