**Product: Buildings and contents insurance**

Complete pre-contractual and contractual information on the product is provided in the Policy Document and in the Terms and Conditions.

### What is this type of insurance?

With building and movable property insurance, various buildings (excluding residential buildings) and movable property such as machinery, equipment, inventory, etc., are insured. The building insurance automatically includes fences, gates, yard lights, and flagpoles in the yard, as well as storage and shelters under 20 m<sup>2</sup>. The insurance is damage insurance that covers sudden and unforeseen events. Property can be insured for an agreed amount in euros or for its full value, for example, based on the area.

### What is insured?

There are three levels of cover to choose from: basic, standard and super.

The basic package covers:

- ✓ Losses resulting from fire, explosion and smoke damage.

The standard package covers the above as well as:

- ✓ Losses resulting from burglary, robbery and malicious damage.
- ✓ Broken glass in windows and doors due to sudden and unforeseen event
- ✓ Losses resulting from natural phenomena such as storm winds, exceptionally heavy rain and wildlife damage as well as mechanical breakages caused by hail.

- ✓ Breakdown of a building's electricity system or machinery

- ✓ Breakdown of a building's heating, plumbing or ventilation system and resulting water damage inside the building

The super package covers the above as well as

- ✓ Losses incurred because of other sudden and unforeseen events, which has not been excluded.

#### Additional insurances

- + Pest insurance, which compensates for the control of named pests when they cause damage to business and structural damages done by those pests. The compensation is primarily pest control and repairing of structural damages performed by If's partner. Available for some type on commercial buildings only.
- + Cover for restoration costs incurred from the use of non-industrial processes and materials.
- + Cover for expenses incurred from the remediation of contaminated soil.

### What is not insured?

Insurance does not cover for instance:

- ✗ The portion of value-added tax, unless mentioned in the insurance policy.
- ✗ Vehicles and motor machinery eligible for traffic insurance or vessels in air and water traffic
- ✗ Soil and water areas, plants, and growing crops.
- ✗ Buildings under construction or uncompleted repair work.
- ✗ Personal injuries.

### Are there any restrictions on cover?

General exclusions include the following, among others:

- ! Damage resulting from water insulation leaking are not compensable.
- ! Insurance does not cover the intrusion of melting snow and rainwater into structures, for example, through the exterior walls of the foundation or the roof.
- ! Gradual deterioration is not covered under any policy.

Compensation is subject to the following deductions:

- ! Compensation for breakages and water damage is subject to a deduction based on the age of the failed part or piece of machinery.
- ! All claims are subject to a deductible, which can be either a monetary amount or a percentage of the value of the loss.
- ! The amount of compensation can also be reduced if the applicable safety regulations have not been complied with. The safety regulations are designed to promote safety.
- ! In buildings with reduced value, compensation is based on the fair market value.
