Remote work insurance refers to a Personal Accident insurance, the validity of which is *Remote work*.

### What is insured?

Remote work insurance covers remote work, which is carried out, as previously agreed with the employer, by the employee at their home, holiday home or other indoor premises.

A walking meeting refers to a meeting related to work tasks in which the Insured participates remotely while walking outside the remote workplace.

Remote work insurance may optionally include the following covers, up to the agreed sums insured:

  - surgical operation expenses
  - travel expenses
