Company: If P&C Insurance Ltd (publ), branch in Finland

Product: Residential Property Insurance

Complete pre-contractual and contractual information on the product is provided in the Policy Document and in the Terms and Conditions.

What is this type of insurance?

This insurance covers losses incurred because of sudden and unforeseen events. This insurance is used to insure various kinds of residential property companies as well as contents designed exclusively for the maintenance of the buildings in question or for the common use of residents. Outdoor fixtures and fittings are also automatically covered, as are sheds, car ports, garages, and other utility buildings of less than 300 m², unless otherwise specified. This insurance usually provides full-value coverage based on the total floor area of the insured buildings.

What is insured?

There are three levels of cover to choose from: basic, standard and super.

The basic package covers:

- ✓ Losses resulting from fire, explosion and smoke damage.

The standard package covers the above as well as:

- ✓ Losses resulting from burglary, robbery and malicious damage.
- ✓ Broken glass in windows and doors due to sudden and unforeseen event.
- ✓ Losses resulting from natural phenomena such as storm winds, exceptionally heavy rain, exceptional coastal or inland flooding and wildlife damage as well as mechanical breakages caused by hail.
- ✓ Breakdown of a building's electricity system or machinery.
- ✓ Breakdown of a building's heating, plumbing or ventilation system and resulting water damage inside the building.

The super package covers the above as well as

- ✓ Losses incurred because of other sudden and unforeseen events.

Additional insurances

- + Pest insurance, which compensates for the control of named pests when they cause damage to housing and structural damages done by those pests. The compensation is primarily pest control and repairing of structural damages performed by If's partner.
- + Cover for restoration costs incurred from the use of non-industrial processes and materials. Separate sum insured is loss limit for all costs based on restoration.
- + Cover for expenses incurred from the remediation of contaminated soil.
